

Encourage your daughter to get her start in tech with Girls Who Code's **FREE Summer Immersion Program!**

No experience required! Free to apply and free to attend!

Tech jobs pay an average of \$100,000/year.

"Since my daughter participated in the Summer Immersion Program, I've seen her confidence and her excitement skyrocket... As a parent, all I wanted was for my daughter to learn, grow, and bond with girls of like-mindedness and she was able to do that through this wonderful program."
—Teresa J., mother of Jade J., Summer Immersion Program graduate

Our **FREE 7-week summer program** teaches 10th–11th grade girls (rising juniors or seniors) the computer science skills they need to make an impact in their community and be competitive in the job market of the future. In the Summer Immersion Program, girls will learn about:

CAREERS

They'll meet female engineers and role models and get an inside look at technical roles in the world's top companies, like Amazon, AT&T, Facebook, Microsoft, and Twitter.

SKILLS AND IMPACT

They'll learn to code through real-world projects in art and storytelling, robotics, video games, websites, apps, and more—plus, girls create a final project that solves a real-world problem they care about!

SISTERHOOD

They'll learn in a supportive, all-female environment and make lifelong friendships with a diverse community of thousands of girls.

HOW MUCH DOES THE SUMMER IMMERSION PROGRAM COST?

The Summer Immersion Program is **FREE to attend** with lunch provided to students each day. We also provide a need-based summer stipend to cover transportation and living costs for students who qualify.

WHAT IS A SUMMER STIPEND?

The summer stipend covers transportation and living costs for Summer Immersion Program students who qualify.

WHO IS ELIGIBLE TO ATTEND THE SUMMER IMMERSION PROGRAM?

The Summer Immersion Program is an introductory program for girls who are new to computer science. (Sorry—girls who have taken AP Computer Science are ineligible.) To apply, your student must be a rising junior or senior in high school and be able to spend all 7 weeks with us. The program is 100% FREE and we also provide need-based summer stipends to cover transportation and living costs. Girls Who Code serves all girls, especially those who:

- Are rising juniors or seniors
- Are underrepresented in computer science and technology fields in terms of race, creed, or background
- Have little to no access or exposure to computer science education in school
- Are Free and Reduced Lunch eligible
- Identify as female regardless of gender assignment at birth or legal recognition

WHAT DOES THE SUMMER IMMERSION PROGRAM APPLICATION PROCESS LOOK LIKE?

All eligible 10th and 11th grade students (rising juniors or seniors) can apply to the Summer Immersion Program online.

The application consists of one short-answer question. Girls Who Code does not ask for GPA, transcript, or any recommendations.

WHEN WILL MY STUDENT BE NOTIFIED OF HER ACCEPTANCE TO THE SUMMER IMMERSION PROGRAM?

First-round applicants will be notified of their acceptance by **mid-March**. All students will be notified of their acceptance by **mid-April**. Notifications are sent via email.

WHAT IS THE DIFFERENCE BETWEEN FIRST- AND SECOND-ROUND APPLICATIONS?

To qualify as a first-round (or early) applicant, students should apply by the first-round deadline on **February 16**. Early applicants will be notified of their decision by **mid-March**, and second-round applicants will be notified by **mid-April**. Applicants who are waitlisted during first-round decisions will be given priority consideration for admission over second-round applicants.

WILL GIRLS WHO CODE PROVIDE HOUSING FOR THE SUMMER IMMERSION PROGRAM?

No, we don't provide housing. The Summer Immersion Program is a day program and the vast majority of students apply to a location close to where they live.

I AM GOING TO BE OUT OF TOWN DURING THE PROGRAM. SHOULD MY STUDENT STILL APPLY?

All program participants must be able to commit to attending the entire seven-week program. We hope your student will choose to spend her summer with us. It's worth it!

WHAT WILL STUDENTS LEARN IN THE SUMMER IMMERSION PROGRAM?

Each week of the program covers projects related to computer science, such as art, storytelling, robotics, video games, and websites. Through those projects, students learn programming languages including Scratch, Python, Arduino C, HTML, CSS, and Javascript. Students also learn about tech careers from guest speakers, participating in workshops, connecting with female engineers and entrepreneurs, and going on field trips. The program culminates in a final project where students work in teams to build a product based on their interests.

ARE BOYS ELIGIBLE TO JOIN GIRLS WHO CODE SUMMER IMMERSION PROGRAMS?

Our programs are intended for students who identify as female regardless of gender assignment at birth or legal recognition.

MY STUDENT DOESN'T HAVE ANY CODING EXPERIENCE. SHOULD SHE STILL APPLY?

Yes, beginners are encouraged! All she needs is a readiness to learn.

MY STUDENT IS NOT ELIGIBLE FOR THE SUMMER IMMERSION PROGRAM. HOW ELSE CAN I GET INVOLVED?

She can join a Girls Who Code Club in your area! Clubs are FREE after-school programs for 6–12th grade girls to use computer science to impact their community and join our sisterhood of supportive peers and role models. Learn more and find a Club near you at www.girlswhocode.com/Clubs.
